

Competition co-ordinators report 2021

I am pleased to report that all the competitions barring the Championship were completed in good weather conditions and the events were enjoyed by all the players.

The system of booking competitions went well, but some team leaders sent in notes or letters with the necessary information as they were unable to print out the entry forms. The main problem with entries this year was that over 80 cheques were wrongly dated. Can I remind team leaders that cheques are only valid for 6 months from the date on the cheque and that is why we request that cheques are dated for the 1st May or the date of the competition.

As in previous years we had some teams withdraw from competitions because they couldn't field a team owing to members having qualified for either a district or county competition or double booked in another competition. Can I remind teams that should you have to withdraw from a competition, your entry fee cannot be refunded, which is in line with all other open competitions.

Thank you to all the competition organisers who manage and run the events on the day, their help is very much appreciated. Should you have a problem regarding a competition you are playing in, please contact the competition organiser to sort out your problem regarding name changes, tee times etc. and not the competition co-ordinator.

Many thanks to the clubs who provide wonderful hospitality for the members and to the green staff who prepare great courses for us to play on.

Finally I would like to wish all members a happy and successful 2022 golfing season.
