2001 NORTHERN COUNTIES CHAMPIONSHIP
Started in 1986. The Trophy was donated by Mrs. Connie Suthering

15th-17th May at Harrogate Starbeck Golf Club

The weather could have been kinder there were some very heavy showers but the course held the water very well. Lancashire were very proud of Iris Brattan and Liz Moverley both of Preston Golf Club for qualifying and getting through to the second round - Liz being beaten by the eventual winner Hilary Smyth - Yorkshire and Iris being beaten by the runner-up Alanna Vine - Cheshire. We were also very proud of our Ex. Captain Valerie Hyman our President Joyce Acheson and our Treasurer Liz Moverley who won the Nett County Team Trophy and Prizes for the Aggregate of 3 Best Scores. Liz also won the 1st nett prize and Joyce the 2nd nett prize for the first day.

NORTHERN DIVISION

The Lancashire County Veteran Ladies' Golf Association is part of the Northern Division which also has Yorkshire, Northumberland, Durham, Cheshire and Cumbria as members. Each year these teams compete for the Northern Championship, a prestigious event which has been held only three times in Lancashire.

The Northern Jamboree team is chosen from players in these 6 participating Counties

2001 Jamboree

This s a 'round-robin' event between 4 divisions.
Started in 1960, they play for the Miller-Stirling Trophy

7th - 9th August on the Red Course at Frilford Heath Golf Club

Due to the Northern Captain Mrs. Valerie Stone being indisposed the Jamboree Team for the North was chosen by President Mrs. Olive Moore, Vice Captain, Mrs. Joan Branton and Secretary Miss Chris Withers

Lancashire were very proud that Iris Brattan had again been chosen from Lancashire for the Northern Team to play in the Jamboree. The first two days were sunny with heavy showers the North beating Scotland 6 1/2 - 2 1/2 and the South beating the Midlands 5 1/2 - 3 1/2 on the Tuesday. On the Wednesday South beat the North 5 1/2 - 3 1/2 and Scotland beat Midlands 6 - 3. On the final day Scotland were due to play South and North the Midlands but unfortunately after heavy rain all night and all morning the course went completely under water. The points from the first two days were calculated and the South beat the North by 1 point therefore retaining the Miller-Stirling Trophy There was a lovely friendly atmosphere and everyone was disappointed the event had to end in such a manner.
