CHARLOTTE CECILIA PITCAIRN LEITCH ([13 April 1891](#) – [16 September 1977](#)) was a British golf Champion. She was born in Silloth, Cumbria County, England, the daughter of a local physician and one of three sisters, who all excelled at the game of golf and is said to be one of the best British golfers of all time.

In 1910 she played a famous 72 hole match against Harold Hilton, a crack player from Royal Liverpool G.C, at Sunningdale G.C. Cecil received a shot every other hole and to his dismay, Cecil beat him at the 4th Green in the final round. The news went all around the world.

The two pictures were taken by one of our members whilst she was on holiday in U.S.A They were displayed in the World Golf Hall of Fame in Florida.

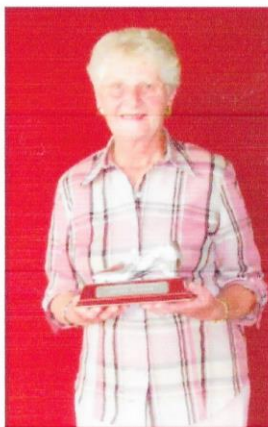

At the peak of her career. Cecil gave number golf trophies to several clubs around England. Hence our Cecil Leitch Trophy Thank you to Mrs Mavis Hill, Davyhulme Park for the picture and cartoon.

LCVLGA CAPTAIN & PRESIDENT

President Iris Brattan and Captain Audrey McClelland would like to wish everyone the best of luck for the next year. We have enjoyed meeting everyone, and have seen some fantastic golf.
