Lancs golfers help in victory for North

TWO Lancashire golfers played an important part in the North of England's win in the British veteran ladies four cornered team championship involving the north of England, the south of England, the Midlands and Scotland at Moortown Golf Club, Leeds.

Iris Brattan of Preston Golf Club and Rosemary Pickup of Pleasington Golf Club were paired together for the three foresomes matches and succeeded in gaining five points from six.

Iris took a further three points from three singles matches.

Both Iris, who earlier in the season won the Lancashire Veteran Ladies Competition and was runner up in the Northern Counties individual Veteran Ladies Championship, and Rosemary are members of the Lancashire Veteran Ladies team which won the Northern team title after matches against Yorkshire, Cumbria, Cheshire, Northumberland and Durham.

North triumph in Jamboree

MARGARET PICKARD led the North of England to victory on home soil in the Veteran Ladies Association Jamboree at Moortown, Leeds.

Pickard, who hails from the Alnmouth club in Northumberland, dropped only half a point during the round-robin event as her team won all three matches to collect the Miller Stirling Salver.

After winning a close match against the Midlands on day one, the North cruised to an easy 7-2 victory over Scotland before completing a hat-trick of successes against defending champions the South of England.

The Midlands, which will host next year's Jamboree at Woodhall

Spa, finished second with two wins, while the South had to settle for third spot with one win. This year's wooden spoon went to Scotland who recorded no victories.
